Pause for Reflection

Where did I have the greatest sense of
belonging to myself,
others, God and the
Universe?

Where did I have the
least sense of
belonging?

Thank God for what I see.

Everyday God is an initiative of the Loreto sisters along with colleagues and friends. Its purpose is to create spaces that help us to experience God in our everyday lives.

Local groups are initiated in response to an invitation and are always open and welcoming to new members
